

ANNOUNCING A NEW COURSE

Science @ Reason

An Interdisciplinary Course by
The Departments of Biology and Physics/Astronomy

An introduction to scientific reasoning and the way science works. Students will learn to discern science from non-science, what differentiates science from faith, and the implications such distinctions have for society as a whole.

Taught by Dr. Dan Caton, e-mail: catondb@appstate.edu - 262-2446
& Dr. Howard Neufeld, e-mail: neufeldhs@appstate.edu - 262-2683

Guest Lecturers:
Chancellor Borkowski
Dr. Loren Raymond, Geology
Dr. Ray Ruble, Philosophy & Religion
& others to be announced
